Re: CPAO Community Banquet

Dear Community Member,

On behalf of the Coalition of Palestinian American organizations, (CPAO), we cordially invite you and your organization to take part in our 3rd annual banquet gala to take place on November 17th, 2018 at the WESTIN Tysons Hotel, Falls Church, Virginia. We are also planning on having a Capitol Hill Lobby day on Monday, November 19th 2018, where community members will have an opportunity to meet with their members of congress, special guest speakers, and network with each other about topics of concern.

The Coalition of Palestinian American Organizations was established in November of 2013 as an avenue for Palestinian Americans to join together from their respective towns and villages throughout Palestine. Our coalition is made up of a number of organizations representing well over two hundred thousand Palestinian Americans living in the United States.

Our objective has been to organize our community from the grass roots effort across the U.S. so that we can be proactive and help out for various causes from disaster relief efforts, humanitarian crisis, and have a united voice as Palestinian Americans across the country.

We serve many causes in which we promote our culture, our heritage, getting involved in community outreach, as well as bridging the gap where needed within the organizations of the coalition. We have held many meetings and gatherings throughout the past 5 years, but this formal gala event is leading up to be a very big turnout where community organization presidents, members, and representatives will be attending throughout the country. We will be reaching a large network of well over 200,000 people and we will be honored to have Dish Network join us as one of our sponsors.

We know that all in attendance will have an opportunity to appreciate our sponsors. We know that by being part of our event, everyone will gain a better understanding of all your current and new services. Our two day event will feature our dinner gala, special guest speakers, entertainment, networking opportunities with our guests, and more.

We hope that you and your organization will take an active role in making our event a success by becoming one of our premier sponsors and exhibitors during our occasion. We appreciate all you do in the community through your services and we look forward to working with you. We expect a large turnout from the Washington, DC area as well as across the country who are looking forward to this event.

Very Truly Yours,

The Coalition of Palestinian American Organizations
